Saturday Closes The Bulletin's 5000 Bargain Vote This Offer Will Not Be Repeated During This Contest

CONTEST CLOSES MONDAY MARCH FIFTEENTH

Miss Sophie de la Nux Leads Contest For Chaperone -Honors

Saturday evening the Contest Manger will drop the flag on the 5000 free vote offer which has been in effect the past ten days. This offer will posttively close Saturday and will not be

repeated during the contest. Monday, March the fifteenth is the time set for the close of the contest and all votes and subscriptions MUST be in the Bulletin office on that The closing hour will be at 8 o'clock p. m. on March 15th, and those depending on the mails to bring their subscriptions to the Bulletin office MUST have all votes and subscriptions in the ballot box before 8 o'clock p. m. on that date. The judges for the final count of the ballots will be chosen from prominent business men of Honolulu; their names will be announced in due season. Each contestant wil have the right to select a friend or rel ntive to represent her and look after her interests during the final count of the ballots. An alarm clock will be used to signal the closing hour, which will be at 8 o'clock p. m. sharp, March 15th. When the alarm sounds the judges will take charge of the ballo box and when all in the office at that hour are waited upon, the box will be opened and the final count will com mence. There will be no bidding for ballots, as there will positively be no money or subscriptions accepted after the ballot box is opened. No one wil know how many votes each candidate has deposited, therefore, no one will know how many votes are required to win. No one connected with the Bu letin has any idea of the votes tha are being held in reserve as no rec ord of the ballots being held in reserv is kept. Ballots are issued for each subscription turned in, and when the contestant takes it from the office an returns at some later date and deposits it in the ballot box, it is published in the first issue of the Bulletin, bu no record of the reserve vote is kept It is always possible to tell if a ballot is bone fide, but outside of that record no tab is kept. Nothing but a square deal goes in this contest, and the book of this office are always open for in the contestant that secures the most votes will win, and the one who wins will be the contestant taking persona interest in her vote collecting and no the one depending on her friends to take subscriptions at the last minute Those who take advantage of the spec ial offer now in effect will stand the best chance of winning, but the one who depends on something better may be disappointed. The contestant standing the best show to win in this st, is the one that solicits he friends now and makes a good show ing each day and increases her score Remember the 5000 free vote offer closes Saturday
